Friends of the Kern County Fair Junior Livestock Scholarship

The Friends of the Kern County Fair Board prides itself in giving out scholarships to select students that participate in livestock each year. Due to the increased levels of scholarships being awarded, the volume of scholarship applications has increased dramatically. To provide yourself the best opportunity to be selected, please make sure you put forth the maximum effort to be noticed by the selection committee. Turning in an application does not guarantee a scholarship, as there are many qualified applicants each year.

Thank you for applying this year!
